

**Dr Douglas Turek, Managing Director and Principal Advisor,
Professional Wealth**

Doug is the founder and Managing Director of Professional Wealth Pty Ltd. As Principal Advisor, Doug's role is to provide personal advice on wealth building and retirement strategies and work closely with the firm's other professional staff. Doug is a sought after speaker on wealth topics by both groups and industry. Doug can be heard periodically on Saturday mornings on AM 774 Victoria-wide as a guest personal finance talkback expert. Doug is also a regular writer for the investment newsletter the Eureka Report. Formerly he consulted to the financial services industry and Government while at The Boston Consulting Group. He is also the founder of Australia's largest private and open personal wealth database – Wealth benchmarks.
